## Magyar Telekom to implement annual inflation-based fee adjustment

**Budapest – January 16, 2025 – Magyar Telekom (Reuters: MTEL.BU and Bloomberg: MTELEKOM HB, hereinafter the “Company”), the leading Hungarian telecommunications service provider, hereby announces that it will implement inflation-based fee adjustment across its customer contracts as of April 1, 2025, amounting to 3.7%, in line with the 2024 average consumer price index published by the Hungarian Statistical Office.**

This investor news may contain forward-looking statements. Statements that are not historical facts, including statements about our beliefs and expectations, are forward-looking statements. These statements are based on current plans, estimates and projections, and therefore should not have undue reliance placed upon them. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update publicly any of them in light of new information or future events.

Forward-looking statements involve inherent risks and uncertainties. We caution you that a number of important factors could cause actual results to differ materially from those contained in any forward-looking statement. Such factors are described in, among other things, our Annual Reports for the year ended December 31, 2023 available on our website at <http://www.telekom.hu>.
