## NRA Decision Regarding Mobile Termination Fees for T-Mobile Hungary

BUDAPEST – July 25, 2005 – Magyar Telekom (Reuters: NYSE: MTA.N, BSE: MTEL.BU and Bloomberg: NYSE: MTA US, BSE: MTELEKOM HB), the leading Hungarian telecommunications service provider announces that the Board of the Hungarian National Regulatory Authority (NRA) has published its resolution regarding the mobile termination fees of T-Mobile Hungary.

In the latest market analysis, T-Mobile Hungary was identified as an operator with significant market power and was required to file a new cost calculation for mobile termination fees. The NRA resolution settled T-Mobile's average mobile termination fee at HUF 27.17.

Based on the NRA's press release, the resolution stipulates a reduction of 10.38% to the average mobile termination fee for T-Mobile Hungary compared to the average termination fees in December 2004.
